

The address for Twenty5eight Advertising Agency and Media Production Company is:
56 Alfred Street South, Milsons Point NSW 2061

Our building is a free-standing, sandstone heritage cottage named 'Camden Villa' located just up the road from the world famous Luna Park.

Whilst 56 Alfred Street (South) sounds easy enough to find, you may find it a little challenging as many buildings have been developed around the villa and we're tucked away off the main street in a quiet location.

The images below will assist you when visiting for the first time:

1. Entry via Alfred Street - Enter from Alfred Street under 'The Milson 48-50 Alfred Street' archway by foot or car if you have parking arranged.

2. Aerial shot of our location - We're tucked in just behind 48 Alfred Street and also shows a path to our front door from Alfred Street (South).
